9:30AM-11:30AM: PITCHING CAMP

Join Head Coach Darren Mueller and NDSU Softball players for our Pitching camp this fall! Darren just finished his 24th season as the head softball coach at NDSU. NDSU has won 30 games in 14 of the last 19 seasons under the reign of Mueller.

This camp is designed to breakdown pitching mechanics to help strengthen both pitching skills and pitching knowledge. The pitching camp will include mechanical instruction with drills, mental approaches, different pitches, spin rotations, and live situations with catchers. Pitchers do NOT need to have a catcher.

9:30AM-11:30AM: CATCHING CAMP

Join Associate Head Coach Gerice Olson and NDSU Softball players for our Catching Camp. Gerice was an integral part of the 2000 NDSU Softball National Championship team and has coached numerous All-Conference and All-Region athletes in her career.

This camp is designed to provide an introductory level of instruction to the NDSU catching philosophy, daily training regimens, throwing, blocking, footwork, framing, and much more. Catchers will have the opportunity to catch pitchers at the end of the session. Catchers must provide their own gear.

1:00PM-4:00PM: INSTRUCTIONAL CAMP

This Instructional Camp allows campers to work with the NDSU Softball staff and players to enhance their offensive and defensive skills. This camp is designed to provide participants with specific skill instruction including footwork, NDSU fielding philosophies, throwing mechanics, games, and measured metrics for each camper to improve on. Campers must provide their own helmet, bat, and glove.

I give permission for North Dakota State University medical personnel to administer first aid, and/or to provide the appropriate transportation to a medical facility to receive adequate medical care in the event of any injury or illness. I understand that I will be responsible for any expenses incurred in connection with such treatment.
